Info about the Museum Félicien Rops

The Félicien Rops museum is located in a [former hotel de maître](#) (period house), at the heart of the old part of Namur. It is not far from the birthplace of the artist and from [Saint-Loup Church](#), a baroque building, considered to be an important landmark in Namur's cultural heritage.

The museum has on display all aspects of the artist's work (1833 - 1898), the important stages of [his life](#) (Namur, Brussels, Paris), the [people he met](#) and his [artistic creations](#). A technical introduction to the diversity of his talents is also offered including:

[etching](#)

,
[drawing](#)

,
[painting](#)

.

The museum is the property of the *Province de Namur* which since its establishment in 1964 has continued to increase its collection, helped by the *French Community of Belgium* and private patrons.

In addition to the presentation of the collections, the museum offers a range of [services](#), including guided tours, [temporary exhibitions and courses](#), audio-guide, publication on the artist and his century, a center for documentation, an audio-visual displays and a cine-club on art films.

Permanent and temporary exhibitions

Open Tuesday to Sunday, 10 a.m. to 6 p.m.
Open every day in July and August
