SENSE  
ME

13.09.2019 - 01.06.2020

Curated by Karen Grøn/ Director and Katrine Stenum

Trapholt Museum of Modern Art and Design explores the complex interplay between the human senses. In a major international exhibition, SENSE ME, artists such as Olafur Eliasson, Wassily Kandinsky, Georgia O'Keeffe and Peter de Cupere focus on how sounds, scents, colours and forms affect us personally.
