THANK YOU FOR YOUR VISIT!

□

The Clean Sea Air Capsule costs 58 euro for one capsule !

But **you're lucky** and might buy it now for half the price, so only

29 euro/capsule

□

To smell and taste one second again a clean sea breeze!

yummy! :o

Did you really believe that a capsule filled with clean sea air is going to give you enough joy of nature?

Think twice!

□

Of course it's April 1st! It might seem like a joke, nevertheless **it's reality!**

One day you awake and have to pay to breath clean air!

I didn't make the **Clean Sea Air Capsule** as a product, but as **a statement!**

□

There might be no good solution, the best solution is you, me and everybody!

START TODAY CLEANING OUR WORLD!

Keep on smelling to breath in clean air!

Peter
